**Subject:** RB1 SNC inspections - June 7

Hi Erin and Matt,

EPA Region 9 was given some funds from headquarters for contractor SNC inspections that needs to be spent by July. After speaking with Beth Aubuchon, we thought there might be a good geographic cluster of SNC facilities in RB1 driving south from Eureka.

There is enough contactor money for 3, maybe 4 inspections. Ideally they would cover: Rio Dell, Ukiah, Forestville, maybe Elk River or Fortuna or TBD. The contractor is free the week of June 7 so we are moving to finalize the facility list soon.

I do not know if EPA staff would join the inspections but state staff are more than welcome and could be involved for training purposes.

Please let me know if you think this is a good list of facilities or have others in mind.

Appreciate any feedback or input!

Thanks,

Mike
